

Waitaki Boys High School
Reunion
50 Years on
8 – 10 July 2016

It's time start thinking about booking planes.

We know it is still 26 weeks away but while there is time - start booking flights for the reunion - the plan is to have an informal get together on Thursday night, at a venue to be decided on 30th June 2016. Keep an eye on the web site at <http://wbhs50yearson1966.weebly.com/> for details also.

Introductions:

After 50 years a lot has happened in our lives. Some of you may categorise your self as a Russia Fighter Pilot - [OK you have visited Russia and you play computer war games] Some of you know each other during he last 50 years, but some may not. Thus we need to re-introduce ourselves and a name tag is a good start but also your celebrity status will help. Any way have a think about an introduction re-starter

Facebook

For those who are on facebook there is a reunion web site also called "WBHS50YearsOn1966" and you can

David Ruddenklau and Colin Scobie catch up at Scott's Brewery, Oamaru for a beer, chat and chomp on a "Little Bluey" Pizza, and do some more planning for the reunion. Nice beer, nice Pizza and nice chat and plans are well underway for the weekend reunion - check out the web page for more details.
